November 2023 Newsletter

The first installment for the recital costume fees have been charged to your accounts. Those with a card on file will be processed automatically with your tuition. The 2nd and final installment will be added in December. All costumes must be paid in full by December 23rd in order to be ordered in time for the recital. **Any costume not paid in full before December 23rd is not guaranteed to arrive in time for the recital or picture day. Costumes are \$85 (\$80 for combo and tots classes).** If you do not plan on participating in the recital, please notify the front desk immediately. If we do not hear from you, we will assume you are participating and will charge your account accordingly.

Students have started being measured for costumes. To view your child's measurements, log into your parent portal, click the menu at the top, and click "View Costumes/Measurements." This information will be viewable by December 10th. Please check the size we will be ordering for you. If you do not agree with the size, please contact the front desk.

Costume pictures will be posted in the lobby in January. To ensure that we can get the costumes in all sizes for all students in the class, we do not show costume pictures before this time.

All dancers participating in the recital will be charged a \$25 mandatory media performance fee. **This is not an optional fee- all performers are required to pay this fee in order to participate in the recital.** It will give you access to download all your child's routines at the recital this year, as well as be able to send it out to as many people you would like. This courtesy is to ensure you can have a hard copy of your child performance, since photo and video at the recital is prohibited.

Important Reminder:

Please send dancers into class in proper dancewear and with hair tied back in a ponytail. We have many dancers coming into class wearing hair down, which can be distracting in class. For all ballet classes, please wear hair in a bun. Thank you!
